

# Maximize Visibility!

More Exposure For Your Home—  
In Your Area & Across the Nation

When you list your home with a CENTURY 21® Agent, you're creating maximum exposure for your property, in your area and around the nation. Not only will your property be featured on the award-winning century21.com site, but millions of other potential buyers will be able to see your listing because the CENTURY 21 System partners with some of the most popular real estate sites on the Internet. When it comes to selling your home, you can't have too much exposure. The CENTURY 21 System works hard to ensure that your unique listing gets all the attention it deserves—all around the country!

According to NAR, eighty-seven percent of homebuyers start their search online<sup>1</sup>. That's why the CENTURY 21 System lists your home on all these popular mover Web sites, which get millions of unique visitors every month:

CENTURY 21 listings are also displayed on all  
MLS enabled real estate sites.
